300

Whereas the Roof of Christ Church is so much decayed as to let the Rain through into the Church it becomes absolutely necessary to repair it immediately, and Whereas a further sum is necessary for the finishing of the Gates of said Church; which two objects are computed to require the sum of three hundred pounds.

Therefore from the well known benevolent disposition of the Congregations, The Rector, Church Wardens and Vestry-men have resolved to open a Subscription for carrying into Effect this very necessary & desireable Work.

We the Subscribers do promise and agree to pay to The Rector, Church Wardens & Vestry-men or their Assigns the respective Sums affixed to our Names. Philad.a 1 June 1795
